

Rithwik Projects Private Limited (formerly Rithwik Projects Limited) is a leading Construction and infrastructure development company. Established in 1999 in Hyderabad, the capital of Andhra Pradesh, RPPL attained excellent growth under the dynamic leadership of Mr. CM Ramesh, Chairman & Managing Director of the company. Mr. CM Rajesh, Executive Director, plays a key role in planning, resource mobilization and day-to-day operational management of the company. Mr. Chander Sheel Bansal, who had served several overseas and Indian infrastructure giants including Maytas Infra Ltd., is the company's Chief Executive Officer. A significant milestone in Rithwik history was Investment in the company by M/s. Baring Private Equity Asia during the Financial Year 2007-08.

SUBSIDIARIES

The RPPL Group comprises the flagship company Rithwik Projects Pvt Ltd, and its subsidiaries North East Power Projects Pvt Ltd, Kumaradhara Power Pvt., Ltd, Rithwik Green Power Pvt., Ltd and Rithwik Properties Pvt., Ltd. These subsidiaries pursue region and sector specific business opportunities across India.

PROJECTS

RPPL has made great strides in construction of concrete dams, spillways, tunnels, irrigation canals, bridges, roads, and housing. Among the prestigious projects undertaken by Rithwik are the construction of a dam, spillway and power house for the 400 MW hydro electric project of THDC at Koteshwar in Uttarkhand ; a mini-township at Jagti Nagrota for Kashmir migrants ; raising and calibration of iron ore from Kalta iron ore mines in Orissa; construction of major bridges and allied works between KM 30/000 to KM 50/400 of single BG line on Katra Laole Section; B.G. Single Line Tunnel No.5 (Bakkal Tunnel) from KM 43.040 to 48.940 KM on the Katra-Laole Section of the Udhampur Srinagar-Baramulla Rail Link; Owk Reservoir Complex, and a barrage across River Ponnai near Kalavagunta in Chittoor district of Andhra Pradesh. Rithwik is also developing hydroelectric schemes on BOOT basis.

ASSETS

An excellent blend of managerial, technical and support talents from across India form the major wealth of Rithwik. Equally significant is the Plant & Machinery platform of the company. The company takes special interest in introducing the best P&M right from earth movers to tunnel borers and so on. The company is smartly linked across the rank and file of the organization throughout the country with up-to-date communication systems.
